## WE DO WHAT WE LOVE

Tell me why, I love you like I do. Tell me who, could stop my heart as much as you. Let's take each other's hand, as we jump into the final frontier. Mad about you baby, yeah, I'm mad about you. Whoo hoo hoo.

Overture, curtains, lights. This is it, the night of nights. No more rehearsing and nursing a part, we know every part by heart! Overture, curtains, lights. This is it, you'll hit the heights. And oh, what heights we'll hit. On with the show this is it.

Mad about you baby, yeah, I'm mad about you. Whoo hoo hoo. Tonight what heights we'll hit, on with the show this is it! The world looks mighty good to me, cause Tootsie Rolls are all I see. Whatever it is I think I see, becomes a Tootsie Roll to me! Tootsie Roll how I love your chocolatey chew, Tootsie Roll I think I'm in love with you. Whatever it is I think I see, becomes a Tootsie Roll to me!

Making your way in the world today takes everything you've got. Taking a break from all your worries, sure would help a lot. Wouldn't you like to get away? Sometimes you want to go where everybody knows your name, and they're always glad you came. You wanna be where you can see, our troubles are all the same. You wanna be where everybody knows your name. You wanna go where people know, people are all the same, you wanna go where everybody knows your name.

Marshall, Will, and Holly on a routine expedition, met the greatest earthquake ever known. High on the rapids, it struck their tiny raft! And plunged them down a thousand feet below... to the Land of the Lost! Lost! Lost! Lost! Lost!
