We Are The Expert

Hey Tony! I like the things you do! Hey Tony! If I could I would be you! You're my one and only tiger, with my one and only taste! You know how to take a breakfast and make it mmm great! Frosted Flakes!

They're more than good, they're great! Man lives in the sunlit world of what he believes to be reality. But, there is, unseen by most, an underworld, a place that is just as real, but not as brightly lit... a darkside.

The darkside is always there, waiting for us to enter, waiting to enter us. So until next time, try to enjoy the daylight. My kinda people, my kinda place. There's something special about this place.

Got no reason to stray too far, 'cause it's all right here in my own backyard! This is a Burger King town, it's made just for me!
