WELCOME NOTE

STOKIESLIDE TEMPLATE DESIGN

What you are about to see is real; the litigants on the screen are not actors. They are genuine citizens who, having filed their claims in a real small claims court, have been persuaded to drop their suits there and have them settled here, in this forum... the People's Court.

This is the theme to Garry's show, The theme to Garry's show. Garry called me up and asked if I would right his theme song. I'm almost halfway finished, how do you like it so far, How do you like the theme to Garry's show? This is the theme to Garry's show, the opening theme to Garry's show. This is the music that you hear as you watch the credits. We're almost to the part of where I start to whistle. Then we'll watch "It's Garry Shandling's Show". This was the theme to Garry Shandling's show.
