

# **HYPE Lower Thirds**

Thanks so much for your purchase of HYPE Lower Thirds.

In order to utilize the template at its full potential it is highly recommended that you watch the included video tutorial, it will explain how you install the project, customize text, use dropzones etc. For any more information on how the project works please direct all your queries to <http://videohive.net/user/vystina>

## **To install the project:**

If you have Motion installed, copy the FCP Rhythmic Typo Promo folder to: Movies/Motion Templates/Titles

If you don't have Motion installed, copy the FCP Fast Typo Promo folder to Applications/Final Cut Pro/Contents/PlugIns/MediaProviders/MotionEffect.fxp/Contents/Resources/Templates/Titles

## **Extra Tutorials:**

If you need extra assistance make sure to also check out these tutorials:
