

3umaleto

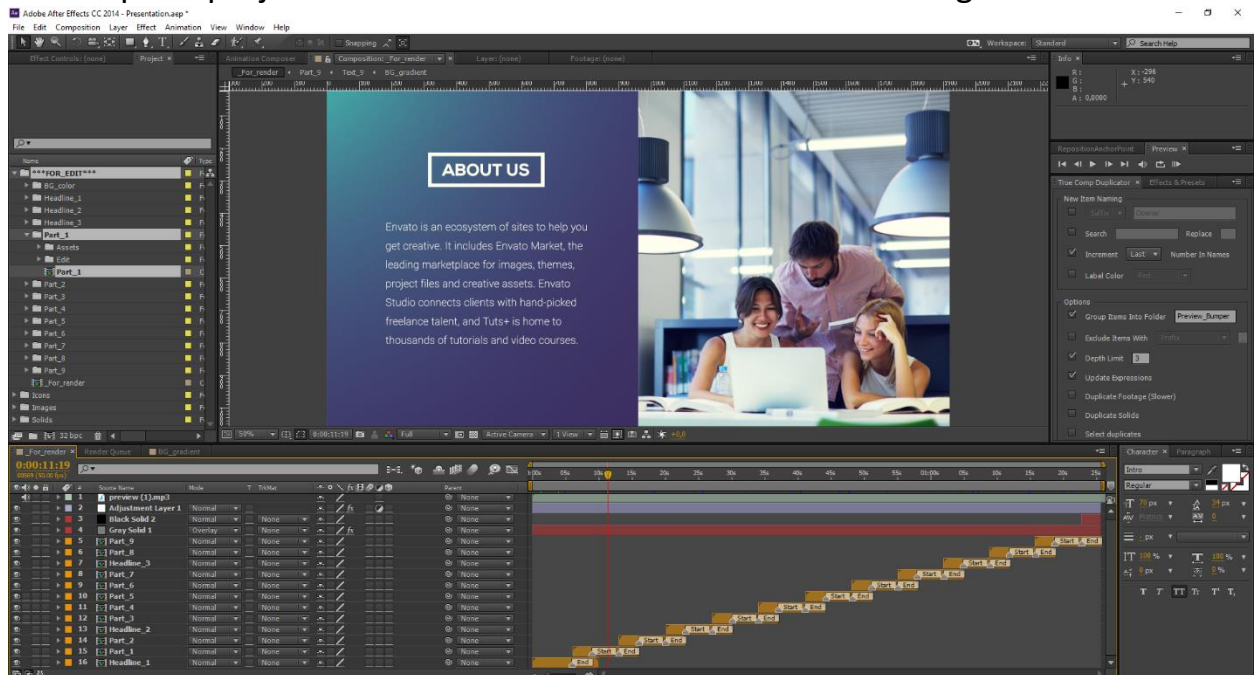

This is a presentation perfect to briefly tell us about your company or about yourself. The project has a modular structure, so you can easily delete, swap or duplicate some parts.

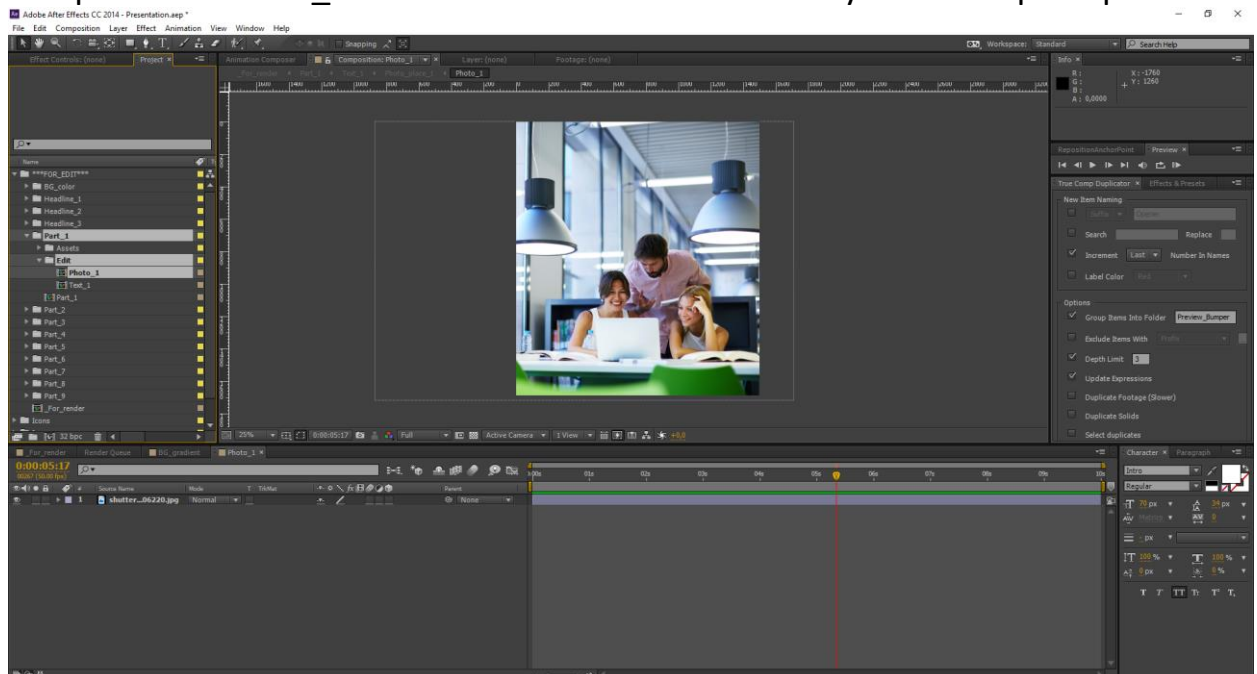

Project features:

- Modern minimal design
- 34 unique gradient
- Very easy to use
- Awesome atmosphere
- multi-purpose
- After Effects CS5.5 and above
- no plugins required
- 100% After Effects
- Full HD
- music and images not included

1) The project is very easy to customize. Open the folder "***FOR_EDIT***" in it you will find the composition "For_render" in it you will see the modules that make up the project. Each module has its own folder for editing

2) For example, you will edit the first part. Choose timeline composition "Part_1", looking for owned a folder "Part_1", it open the folder "Edit". To change the text, open the composition "Text_1" to insert your picture or video, open the composition "Photo_1". All other modules are edited by the same principle.
